Center for Veterinary  
Biologics

510 S. 17<sup>th</sup> Street  
Suite 104  
Ames, IA 50010

(515) 232-5785  
FAX (515) 232-7120

Subject: Revised URL for Center for Veterinary Biologics Website

To: Veterinary Services Management Team  
Directors, Center for Veterinary Biologics  
Biologics Licensees, Permittees, and Applicants

I. PURPOSE

This notice is to inform interested parties of the revised uniform resource locator (URL) for the Center for Veterinary Biologics (CVB) website.

II. BACKGROUND

The United States Department of Agriculture (USDA) has adopted guidelines that will provide a standardized “look and feel” to USDA websites. The content from the current CVB website is being integrated into an agency-wide site for the Animal Plant Health Inspection Service (APHIS). The revised website should facilitate use by the general public, who may not be familiar with organizational responsibilities.

III. ACTION

Effective immediately, the URL for the landing page for information about veterinary biologics is [www.aphis.usda.gov/animal\\_health/vet\\_biologics](http://www.aphis.usda.gov/animal_health/vet_biologics). Users also may navigate to veterinary biologics content from the APHIS home page ([www.aphis.usda.gov](http://www.aphis.usda.gov)) by following the links for Animal Health.

Users attempting to use URLs for the old CVB website will be automatically redirected to the veterinary biologics landing page on the new APHIS-integrated site for a period of one year.

/s/Richard E. Hill, Jr.

Richard E. Hill, Jr.  
Director  
Center for Veterinary Biologics
